GARDEN WASTE WHEELED BIN SERVICE

Dear Resident

Adur & Worthing Council Services are pleased to inform you that we offer a garden waste wheeled bin collection service. This service operates on a weekly basis using a green lidded 240 litre wheeled bin and ensures that as much green waste as possible is diverted from landfill and converted into compost.

We are currently offering the service at £50.00 to cover the period April 2010 until the end of March 2011 and the garden waste bin will be delivered once payment has been received.

Collections will be weekly on the same day as your refuse and by the same vehicle.

There will be no garden waste collection service over the Christmas & New Year period from: 27th December 2010 and resuming the week beginning Monday 10th January 2011.

How will it work?

Once the initial payment for the hire of the bin is received, a 240 litre wheeled bin will be delivered to your house. You will be invoiced in February/ March 2011 for the following year (April 2011 – March 2012) as payment is required in advance. If you cancel this service you will not be entitled to any REFUND.

You can also still purchase garden waste sacks at a cost of 50 pence per sack which will be collected on your refuse day. For details of where these sacks can be purchased, please see webpage: <http://www.aws.gov.uk/Services/GardenWaste> or phone 01903 851729.

Other options:

- Garden waste can also be taken to the Household Waste Recycling Sites at Dominion Way, Worthing, Brighton Road, Shoreham & Mill Lane, Littlehampton.
- Discounted Home Composters' are available from : www.wsussex.getcomposting.com
